THE LOUNGE

Farinet

MENU

**Served daily from
5pm-11pm**

The Valais is famous for excellent produce, which is why we try to source our ingredients locally wherever possible. For example, many of our cheeses come from Verbier's very own laiterie and our meats from our local butcher, Georgy Maret in Le Chable.

We have designed much of the menu to suit those with gluten and dairy allergies, whilst not compromising on flavour, texture or appearance. We want this menu to be something everyone can share and enjoy together regardless of their dietary needs! **
